

Tennessee Bureau of Workers' Compensation (TNBWC) EDI Claims Release 1 Announcement

TNBWC EDI Claims Release 1: Change to 2020 SROI AN Reporting Period

Date: February 26, 2020

Effective September 1, 2020, Tennessee will transition from Claims EDI Release 1 to Release 3.1. To facilitate this change, the filing period for Tennessee SROI ANs due this year will begin on July 1, 2020 and will end at 5 p.m. CST on August 28, 2020. SROI ANs filed after the expiration of the filing period will not be accepted. Trading Partners are reminded that a SROI AN is not considered "filed" until it has been accepted by the Bureau. SROI AN filings that are rejected by the bureau are not considered "accepted" and instead are considered "unfiled."

Please review TNBWC's latest Event Table on the EDI Requirements page at <https://tnbwcedi.info/requirements> for information on the EDI Claims Release 3.1 periodic reporting requirements.

If you have any questions about the Release 1 SROI ANs, please contact the TNBWC at wc.edi@tn.gov.
